

# Welcome to The Tom Cobley Tavern

We pride ourselves on providing our customers with fresh, home cooked food using as much local produce as possible. Therefore all of our meals are freshly prepared and may take some time to reach you, especially at busy times; unfortunately we do not serve fast food.

We are a small family run business and would like to ensure our customers are well looked after, therefore if you have an issue please let a member of our team know so we can ensure it is dealt with at the time and you leave us happy, rather than going home and popping it on Trip Advisor.

Finally if you do have any special dietary requirements or allergies please let us know when you order your meal to ensure we can cater to your needs.

We hope you enjoy your meals with us and the service we provide.

Roger, Carol and The Tom Cobley Team
